

Young Topologists Meeting 2024

5-9 August 2024 | University of Münster, Germany

The Young Topologists Meeting (YTM) is an annual international conference aimed at early-career researchers in topology – both pure and applied – covering the whole breadth of the subject. It serves as a platform for graduate, PhD students and early postdocs to present their research, exchange ideas and build international connections. The conference comprises two lecture series by the speakers and contributed talks by participants.
