²*Institution2, Address2, City2, Country2*

For your convenience, we have created a template. You can use figures, equations, references etc.. However, please do not change the general layout and formatting, i.e. keep the margins of 25 mm on all sides, use the standard 12 pt font, do not generate page numbers, and keep the length within one page. Please, format the references as shown below [1,2]. The abstract book will probably be printed in black and white.

Please, submit the abstract as a PDF file by 4 May 2020 following the instructions on the conference website (noeks15.wwu.de). Thank you!
