

# Forschung der Chemischen Industrie

Dr. Katherine Wheelhouse  
GSK

**Present Position:** GSK Fellow, Scientific Leader

**Research Interests:** process development chemistry, especially industrialisation of chemical catalysis for pharmaceutical manufacture

Dr. Christian Tyrchan  
AstraZeneca

**Present Position:** Associate Director, Computational Chemistry

**Research Interests:** Molecular Modelling, Chemoinformatics, Clinical Pharmacology, Programming & Pipeline tools

# Forschung der Chemischen Industrie

Industry Research - Introduced to You.

Thursday  
July 8th 2021

3:00 pm Dr. Katherine Wheelhouse GSK  
Industrialisation of chemical catalysis at GSK

3:40 pm Break

3:45 pm Dr. Christian Tyrchan AstraZeneca  
Integration of AI in Medicinal Chemistry: Drugs in Days?

4:30 pm End of Symposium

Partners of the Event

Virtual access via Zoom
